

“Together Everyone Achieves More”

What is a Bliqsem Team Training

Organizations of the future believe in the power of collaboration. A Bliqsem Team Training is a combination of Bliqsem session and playing the WeQu Feedback game. Due to this unique combination, the participants improve their collaboration.

Openness

Share information and problems with team members

Qualities

Acknowledge and express qualities

Listen

Learn to listen to your team members

Why a Bliqsem Team Training

Better collaboration leads to improved results

Socialize

Know your team members personally

Feedback

Openness about strengths and weaknesses of your team

Personal growth

Develop personal skills in a fast and fun way

What does a Bliqsem Team Training look like

Play WeQu

The first part of the Bliqsem Team Training starts with playing the WeQu Feedback Game. Bliqsem coöperates with the founders of WeQu. This makes us able to use the powerful game in the most effective way.

Bliqsem session

Based on the qualities smaller groups are created. The groups will brainstorm on a team goal or problem. Quick and powerful coöperation leads to energizing results.

- ▶ VR Experience
- ▶ Creative workshop
- ▶ Outdoor activity
- ▶ 3D-printing workshop
